

**STEVENS PLAYS FAST.  
REACHES FINAL ROUND.****Base Line Expert Beats Hobart and  
Anderson at Meadow Club.**

[BY TELEGRAPH TO THE TRIBUNE.]  
Southampton, Long Island, Aug. 18.—The lawn tennis players came through to the final rounds of the singles and doubles to-day on the Meadow Club courts. Richard Stevens, the expert base line player, won a place in the final of the singles.

Stevens beat Clarence Hobart in the fourth round, and then by the same score, 6-1, 6-3, defeated the Kings County champion, Frederick G. Anderson, for the place in the final round.

Stevens has come through this tournament to the final several times, but he has always been beaten. As he will meet the winner of the Dewhurst-Behr match in the morning, it is believed by the experts that at last Stevens is to triumph here.

The doubles yielded good sport to-day, as the committee hurried the matches through, and only one match remained unplayed in the third round when the competitors retired for the day.

The pairs advanced to the semi-finals—Henry Terrace and T. R. Pell, Harry F. Allen and Frederick G. Anderson and William A. Larned and Henry Holt.

It was the spectacular team play of the pairs that drew the attention of the spectators who crowded the clubhouse porch and spread out over the lawn. This was also because the mixed doubles were put under way.

There was considerable rivalry among the women as to pairing with the foremost of the players. They finally agreed to draw for partners, and Miss Katherine Barney got William A. Larned as partner. They played spirited lawn tennis together, winning over Miss Coster and T. A. Pell, 6-4, 6-4.

No other result than the victories of Dewhurst and Behr was expected in the competitions for the semi-finals. Dewhurst, however, overcame the Harvard player, Blagden, 6-1, 6-1.

Behr made a fast match of the meeting with the Harvard representative, Holt. The latter pushed Behr for the points, but the Yale man won in two sets, 6-3, 6-4.

**BUFFALO "AUTO" RACES.****Barney Oldfield, in Harness Again,  
Makes New Record.**

Buffalo, Aug. 18.—Webb Jay was probably fatally hurt in an "auto" accident here to-day. The skies were clear and the track was fast. Interest was keen and it increased with each race. Every spectator seemed to enter into the enthusiasm.

When the ten-mile race was called every one was at a high pitch of excitement and the accident to Jay came as a thunderbolt.

Early to-day Jay posted \$1,000 for a match with Barney Oldfield. The race was to have been run to-morrow. Oldfield had not replied. Jay won the first heat of the Buffalo Derby, five miles, in 5:09 3/4. Montague Roberts won the second heat in 5:27.

Little won the five-mile open in 5:34. Fred T. was second. Little also won the five-mile open for street and touring cars in 5:19. George Salzman was second and Fred T. was third.

Barney Oldfield drove a five-mile exhibition in 4:41 3/4, which is said to be a new world's record for that distance on a mile driving track.

**LONG BRANCH "AUTO" CARNIVAL TO-DAY.**

Long Branch, N. J., Aug. 18.—The Long Branch automobile carnival will begin to-morrow, when races will be run on the Elwood Park track. The races will be continued on Tuesday. One of the novel contests will be the one suggested by W. J. Morgan, the promoter, in which a prize will be given to the driver who travels nearest to three minutes.

Automobile clubs of all the big cities have asked to participate in the benefit.

**METROPOLITAN CHAMPIONSHIP.****A. A. U. Senior Games Will Be Held at

Gold, silver and bronze medals will be given to the first three men in each contest.

**EMPIRE CITY MATINEE TO-DAY.**

The matinees of the New York Driving Club are increasing in popularity each week, and the one scheduled for to-day will do no doubt attract a large crowd, as the programme shows some horses that have been giving fine racing.

The team of W. C. Floyd-Jones will endeavor to beat the wonderful performance of two weeks ago, when they trotted to a world's amateur matinee record of 2:24.

The leaders for championship points of both place and paces have been relegated to second place, and Black Belle and Henry Chimes now head the list by one and two points respectively.

**WEST POINTERS OFF FOR SEA GIRT.**

West Point, N. Y., Aug. 18.—The cadet rifle team, pursuant to general orders of the Washington War Department, started to-day for Sea Girt, N. J., where they will participate in the national rifle competition on August 21.

**CRICKET VETERANS BEATEN.****Staten Island Summer Eleven Wins by Sixty  
Runs for Five Wickets.**

A team of veteran cricketers of New-York tried conclusions with the summer eleven of the Staten Island Cricket Club yesterday at Livingston. Five of the Islanders went out cheaply enough, but then W. F. Keenan, Jr., and P. E. Bousfield got together and put on 112 runs, winning the game by 60 runs, with only five wickets down.

For the veterans, W. F. Keenan played a good innings of 35 not out, and carried his bat through the innings from the fall of the first wicket.

C. Dalton, who scored 25, and N. S. Walker, Jr., who made 12, also played well for the veterans. The scores: W. F. Keenan, 35 not out; P. E. Bousfield, 21 and 17, respectively, for Staten Island. The scores:

ROQUE TOURNAMENT RESULTS.  
Norwich, Conn., Aug. 18.—The best roque ever been in a national tournament was the general character of the games to-day. To-night the national championship is in doubt, but the chances favor C. C. Cox, of Malden, Mass., the present champion, and C. G. Williams, of Washington.

Williams lost twice to-day, while Cox won all his games, beating Williams and playing splendidly throughout. After making the record of shutting out four players in successive matches, Harold Bosworth, of New-London, lost to-night to Cox in a great game.

Bosworth, W. H. Whaley, of Washington, and A. W. Drake, of Malden, Mass., have a possible chance for the championship.

**PARKWAY MIXED MEET.****Del Inez, Single D. and Janvier  
Win the Harness Races.**

Fine weather, a fast track and close finishes were the features of the second day of the Parkway Driving Club yesterday at Gravesend. The entries in the 220 pace were so numerous that the race was split.

In the first division Del Inez was the choice, and won with little to spare. In the second Single D. and Janvier were the choices. The latter won.

In addition to the regular carded running and harness events several side issues that were not down on the programme cropped up to enliven the proceedings. These consisted of a runaway and the arrest of a tout, as well as two "welchers" who had been quoting long odds and then attempted to "get away with the goods."

Good racing prevailed, but the short prices tended to discourage heavy betting. In this respect the prospect is much better for to-day, when the layers are expected to offer better inducements.

The card for to-day, the closing day of the club's midsummer meeting, is unusually attractive, outshining anything of a like nature that has been offered at the local track. In the free-for-all pace among the well known entrants is Nerva Patchen, the 225 pace also gives promise of close finishes. The summaries:

**PINNED UNDER HIS AUTO.****Postmaster's First Day in Machine  
Almost Proves Fatal.**

[BY TELEGRAPH TO THE TRIBUNE.]  
Greenwich, Conn., Aug. 18.—An automobile racing down Keeler's Hill, just west of Stamford late this afternoon, Baldwin Dudley, postmaster at North Guilford, Conn., pinned under the factory beside him, ran into a ditch and was overturned. Mr. Dudley was pinned beneath the car. Four of his ribs were broken, he received other internal injuries, and was bruised about the chest and body. Mr. Maynard was thrown aside on the turf and escaped unhurt.

Mr. Dudley was hurt in an unconscious condition to Dr. Galt's house, and for a time it was feared he would die. This evening he appeared to be rallying, and Dr. Galt was confident he would recover.

Mr. Dudley purchased the machine to-day, and left New-York in the forenoon to drive to his home. He is inexperienced in the use of the automobile, and Mr. Maynard went along to give him advice. They had just crossed the brow of Keeler's Hill, when Mr. Maynard directed the postmaster to put on the top gear. The latter bent forward to do so, and unwittingly turned the steering wheel. The car turned sharply to the left and started for a deep ditch. Maynard grabbed for the wheel, but the car was over the bank before he could do anything.

**AUTOMOBILE STARTS RUNAWAY.****Presence of Mind of a City Cart Driver  
Averts Probably Serious Accident.**

Late yesterday afternoon there was a lively runaway started at 5th-ave. and 40th-st., which was not stopped until the horse had run through 40th-st. to 9th-ave. One man, Charles Kwist, of No. 220 East 12th-st., was knocked down and received lacerations and injuries about the body.

The runaway was caused by an automobile driven by Henry J. Reinhardt, of No. 156 East 40th-st., and a cab driven by Stuart Seelye, of No. 421 West 53d-st., coming in collision at 5th-ave. and 40th-st. The driver of the cab was thrown from his seat, and the horse bolted through 40th-st. Mounted Policeman Fitzgerald started after the animal. When near Broadway the cab struck Kwist, who was at work in the street. He was thrown several feet, but refused medical assistance. Fitzgerald was unable to get near the animal, as crowds surged into the street after the runaway had passed.

Shouts attracted the attention of the driver of city cart No. 171, near 9th-ave. The driver of the cart started so it crossed the street, and the runaway dashed into the wagon. Both wagons were thrown down, and cab and wagon were overturned. The action of the driver probably averted serious accident, as near 9th-ave. there were many children playing in the street. The drivers of the cab and automobile made counter charges, and Fitzgerald took them before Magistrate Whitney in the Jefferson Market court, where they were discharged, the magistrate saying that it was a civil case.

**GAVE POLICEMAN A SHOCK.****Panhard Manager Said Police Commissioner  
Had Been Chased with Him.**

"Did McAdoo do it?" That was the problem offered for solution to the West 125th-st. station police last night when Policeman McLaughlin, of the bicycle corps, brought in Andre de Mendin, manager of the Panhard Automobile Company, charged with racing over the Riverside Drive viaduct, a distance of a third of a mile, in 41 seconds. The prisoner made no attempt to deny the allegation.

You're the policeman who has been trying to get me a week," laughed de Mendin. "Now, you've chased me even when Commissioner McAdoo was in my machine. But we always got away."

"You don't mean to say that Commissioner McAdoo was with you when you were searching and I was chasing you?" asked McLaughlin, who told the sergeant that he really had been trying to get de Mendin for more than a week. But Mr. de Mendin declined to discuss the question, and McLaughlin returned to his post, as he was to what his chances were for a transfer to some remote district. Mr. de Mendin gave \$100 bail.

**AN INVASION OF THE TENDERLOIN.****Leaders of the Tent Evangel to Make a  
Demonstration for Temperance.**

Superintendent T. W. McPherson and five hundred of his followers from the Tent Evangel will invade the Tenderloin this evening. The Tent Evangel is the largest engaged in evangelistic work in the city, and was established by Moody eight summers ago. The crowd will leave the tent at 9:30 o'clock, and will walk along Broadway to the northern end of Times Square. Some of the men will carry a banner announcing that a meeting will be held at 7th-st. and Broadway.

Mr. McPherson hopes to gather a crowd of ten thousand people at the place, and the theatres will be out at the time. He and the Rev. Dr. J. Q. A. Henry, formerly president of the national organization of the Anti-Saloon League, will then address the audience. They will use megaphones to carry their words above the noise of the traffic. The temperance will be emphasized. After the meeting, the evangelists will return to the tent to attend a meeting with Dr. Henry as the speaker. Mr. McPherson hopes to draw one thousand men and women from the streets to the meeting. A special squad of police has been assigned to keep order.
